SIGNIFICANT ACCOUNTING POLICIES :

1. **Basis of Preparation :**

The financial statements have been prepared to comply in all material respects with the Accounting Standards and Guidance Note issued by the Institute of Chartered Accountants of India. The financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies have been consistently applied by the committee, and except for the change in accounting policy discussed below, are consistent with those used in the previous year.

2. **Use of Estimates :**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

3. **Revenue Recognition**

Except annual member fee from members all the income and expenses are accounted for on accrual basis.

4. **Provisions :**

A provision is recognised when an entity has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and are adjusted to reflect the current best estimates.

5. **Cash Flow Statement**

Cash flow statement is prepared as per indirect method as referred to in AS-3
