

PRESS NOTE DATED 09.12.2024

It is mandatory to count VVPAT slips of Randomly Selected 5 Polling Stations per Assembly Constituency /Assembly Segment as per the guidelines of the Election Commission of India.

Accordingly, VVPAT Slip count of randomly selected 5 polling stations per Assembly Constituency has been conducted on 23/11/2024 during the counting procedure, in front of the Counting Observer / Representatives of Candidates. As per that, slip count of 1440 VVPAT units from 288 Assembly Constituencies of Maharashtra State has been tallied with respective Control Unit data. There is no discrepancy found between VVPAT slip count and EVM Control unit count as per the reports received from the concerned DEOs. Due procedure laid by ECI has been followed.
